

**REPORT: EXPLORING SPACE**  
**CLASS V A**

Class VA students delivered an impressive presentation on "Exploring Space," focusing on the Milky Way Galaxy and the solar system. The well-organized segments highlighted key aspects of space exploration, with students confidently explaining about various celestial bodies and planets.

Their understanding of the topic was showcased through creative displays and clear explanations. Maximum student participation made the presentation both informative and engaging.

This assembly not only deepened the students' knowledge of space but also encouraged teamwork, creativity, and public speaking, leaving a lasting impact on the students.
