COMPETITION – BRAIN - O- GAME COMICOLOGY

CLASSES - III TO V

Date: 16.12.2021

Teachers In-charge - Ms. Poonam, Ms Swati

Most kids love comic characters. The objective of the Comicology competition was to make learning science fun and creative. Students of Class III, IV and V enjoyed making their own comic strips on various science facts like photosynthesis , solar system , water cycle , breathing system and many more. They used various kinds of characters, colours and illustrations . The students have not only shown a good competitive spirit but also showed their creativity and innovation.
