NOTE : show it in the class after the holidays

The virtual world is not just limited to the gaming industry but has become vital even in the field of education. A virtual tour is the use of videos , images , sounds , music and narration to enable the learners to visit and explore different destinations. So let's enjoy some virtual tour :

- Disneyland
- Doll museum (Delhi)
- Delhi Zoo
- Tov Factorv

NOTE : We will discuss in the class after the holidays.
