

World Red Cross Day 2024

World Red Cross Day was celebrated in the month of May at DAV Public School, Gole Market to educate students about the importance of humanitarian work and the principles of the red cross. Students of classes 6-8 presented a short skit stating the first aid measures. Incorporating first aid measures was an engaging and educational experience for students and staff . They learned about how to handle a fractured limb, use a bandage and abdominal thrusts for a person who is choking.
