

**\*Report: Special Assembly by Class III A on India's Launch Mission\***

**\*Date: 22.10.24**

To create awareness and inspire students about India's space exploration achievements, Class III A students presented a brief overview of India's space program in the morning assembly on 22nd October 2024. They enacted key milestones, including Aryabhata, Chandrayaan, and Mangalyaan mission and delivered informative speeches on ISRO's accomplishments.

This presentation successfully inspired students, fostering curiosity and pride in India's space program.
