Special Assembly- **National Science Day**

Date – 24.02.2022

Teacher In-charge – Ms. Swati

On the occasion of national science day a special assembly was conducted, To educate the children about science and Technology. In the assembly, at first the importance of 29th February – “**National Science Day**” was explained. After that, the student of 7th class, Ridima , briefed us about the importance of “ **Science in Our Daily life** “. A group of students , from class 7th, explained some interesting science facts that everyone must know. **Science is the poetry of reality** so students presented poems on science day and gave thoughtful messages for all of us. At last, a message was given to create awareness about the useful nature of science .

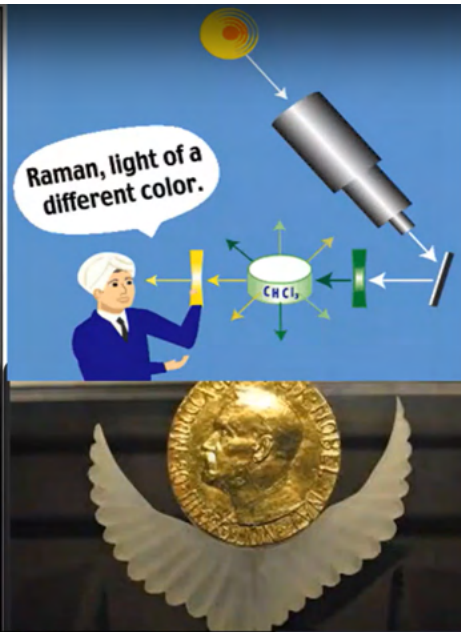

The Youtube link and pictures of the special assembly are mentioned below:
