

NUMBER CHALLENGE

On 19th July 2024, DAV Public School, Gole Market, hosted an exhilarating "Number Challenge" math activity for classes III to VIII. The event combined physical agility with mental sharpness, as students participated in a run-and-race format where they had to solve math questions at different checkpoints. The challenge emphasized speed with accuracy, requiring participants to quickly and correctly solve problems to advance in the race. Those who completed the race and answered all questions accurately emerged as winners. The event was a resounding success, fostering a fun and competitive learning environment that highlighted the importance of both speed and precision in mathematical problem-solving.
