

Science Visit Report

Venue: Waste to Wonder Park

Classes: 2-4

On 11th February 2025, students from Classes 2 to 4 visited Waste to Wonder Park, where they discovered the wonders of science and technology through innovative exhibits crafted from waste materials. The park showcased replicas of the Seven Wonders of the World, remarkably created using waste products, inspiring awe and curiosity among the students. This unique blend of learning and fun facilitated a deeper understanding of complex concepts, making the experience an enjoyable and immersive one for our young explorers.
