Date: 20th August 2021

Teachers in charge: Ms. Suman, Ms. Marya

Vocabulary is a set of familiar words within a person's language. It serves as a useful and fundamental tool for communication and acquiring knowledge. It expands and deepens over the course of a lifetime. To keep it in mind, an English activity "Exploring Vocabulary" was conducted in classes three to five on 20th August 2021. Students were encouraged to make flash cards showing words with their meanings. By doing this activity, students enhanced their vocabulary. All the children enthusiastically participated in the activity.
