

SCIENCE MIND BENDER
Crossword Puzzle Competition
Intraclass Competition
Classes 3 - 5

The goal to conduct this competition was to engage and educate students about scientific terms.

Crossword puzzles provide students with an opportunity to evaluate their knowledge and require students to pay attention to terminology as they need to spell each word correctly. Applying Crossword puzzle in education has advantages in building critical thinking, communication, cooperative learning skills and attitudes.

A brainstorming Crossword puzzle competition was held for Classes 3 - 5 at two levels. Students participated enthusiastically.
