

THE PUPPET SHOW

CLASSES 3 - 5 TOPIC : 'AN URGE TO SAVE ENVIRONMENT'

CLASSES 6 -8 TOPIC: 'FOREST AND ITS LIVELIHOOD'

A puppet show was organized by the students of classes 3 - 8 using finger and hand puppets to create awareness on the need to save the environment and biodiversity.

Puppets are engaging toys that support communication skills and help children to learn and understand the world around them. They provide more possibilities for creativity, collaboration, critical thinking and curiosity. They give students a voice and put them in the role of the creator.

Overall It was a joyful learning experience for the students.
