

Special Assembly Report - Class III A

Date: 15.02.2025

Theme: Great Inventions

The students of Class III A presented a captivating special assembly on "Great Inventions" on 15.02.2025, confidently portraying renowned inventors Thomas Edison and Johannes Gutenberg. Through engaging skits, they showcased the invention of the light bulb and the printing press, highlighting the perseverance and innovation of these pioneers. The assembly also featured a comprehensive overview of pivotal inventions, from the wheel to artificial intelligence and robotics, demonstrating the students' thorough understanding and enthusiasm for the subject.
