

VAN MAHOTSAVA ---The festival of trees.

The festival of trees was celebrated by the kids . Many activities were organised on the virtual platform like poem recitation and enactment of a skit based on the Chipko movement.Small kids planted saplings in the virtual plantation drive.

In order to instil the value of social responsibility in the students towards safeguarding the trees and forests, tutorial ppt was shown to the children from classes III to VIII. The children were apprised of the vital role that the trees play in our lives and they were acquainted with their moral duty to preserve and conserve the green lungs of our planet.They were initiated to plant a sapling in their surroundings and take care of it. https://youtu.be/_BTPSyW2qpQ
