

## **REPORT**

### **COMPETITION – WORKING TOY MAKING**

#### **CLASSES - VI TO VIII**

**Date: 16.10.2021**

**Teacher In-charge – Ms. Swati**

Students of Class VI, VII and VIII have made working toys for the Toy Making Competition. Various toys were made like functioning robots, Toy cars, swing toys etc. They used many kinds of materials such as motors, batteries and waste materials to make their own working toys. Students have also made some really good videos to excel in this really tough competition. The students have not only shown a good competitive spirit but also showed their intuitive mind and scientific temper.

#### **WINNERS OF WORKING TOY MAKING COMPETITION**

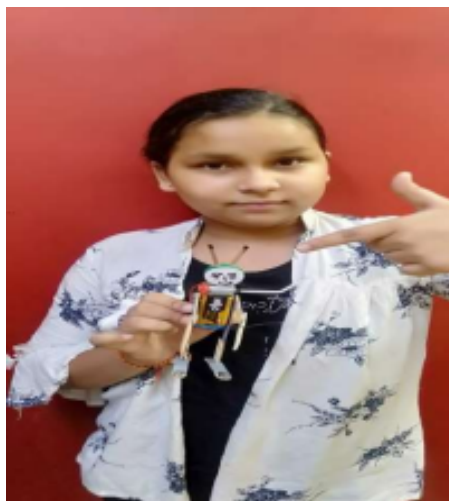

I – kavya (8th)

II – Prabhpreet kaur (6th)

III - Yogyata (6th)
