SPECIAL DAY- INTERNATIONAL LITERACY DAY

DATE: 8th September 2026

International Literacy Day was celebrated on 8th September through an engaging Reading Buddy Session. As part of this activity, students from the Middle Level (Classes VI-VIII) read interesting and age-appropriate stories to students of the Primary Level (Classes III-V). The session promoted the joy of reading, active listening and peer learning. The younger students enthusiastically listened to the stories, while the middle-level students gained confidence and developed communication and expressive reading skills. The activity beautifully highlighted the importance of “Reading Together, Learning Together.”
