

“SAVE OUR PLANET WEEK” 20th April-24th & 27th April
DAV Public School, Gole Market observed ***Save Our Planet Week*** with a series of engaging activities to promote scientific temper and environmental responsibility among students of Classes III to VIII. The week began with an interhouse ***Science Puzzle Race***, followed by ***Guess the Scientist***, where students identified scientists using picture clues. A special assembly was held on 22.04.26 to mark World Earth Day. Students also participated in ***Science Storytelling***, creatively narrating stories around scientific facts and processes, and a lively ***Science Showdown Quiz*** testing their knowledge of various science concepts. The week concluded with the ***Green Thumb Activity***, where each student brought and planted a sapling on campus, learning firsthand about conservation while contributing to a greener environment 🌱.
