Report: Special assembly- Class VII

Theme- “Cry of the Ocean” (SDG 14- Life Below water)

On 20th May 2025, the students of Class VII presented a special assembly titled “Cry of the Ocean”, based on Sustainable Development Goal 14 – Life Below Water. The assembly featured a thought-provoking skit delivered entirely in rhyme, portraying the distress of marine life due to pollution and climate change.

Characters like the Ocean, Turtle, Coral Reef, Pollution, and Hope (Child) conveyed the message powerfully through expressive dialogues and minimal props. The skit highlighted the harmful effects of human actions on aquatic ecosystems and concluded with a hopeful message of change and responsibility.

The performance left a lasting impact on the audience, inspiring all to protect and preserve our oceans for future generations.
