

Workshop on Awareness Against Substance Abuse

A workshop on awareness against the use of abusive substances was conducted for students of Classes VI, VII and VIII. Ms Sarika from the Anti-Narcotics Department conducted the informative session and sensitised the students about the harmful effects of substance abuse. She explained how individuals can become trapped in addiction and emphasised the importance of staying away from such substances and making healthy, responsible choices.

The session was made interactive through an engaging quiz and an educational game, which encouraged students to participate actively and reinforced the key messages shared during the workshop. The workshop was concluded with a pledge by the students to stay away from drugs and other harmful substances, make responsible choices and spread awareness among their peers.

about the dangers of substance abuse. The workshop proved to be an insightful and meaningful experience, empowering students to understand the dangers of substance abuse and encouraging them to lead a healthy, safe and drug-free life.
